# MARCHING TOWARD THE FUTURE

To the future of America, of Santa Ana Senior High School, and to those Sammy Saints who have given their lives that this future may be secure, we present this record of our year's activities.

Herein lies our story. It is a pleasing record, throughout whose pages runs the hope of a peace which the future will bring to those who follow us.

# PRINCIPAL

Making an extensive study of the complex problems of students in a war time high school is the job of Principal Lynn H. Crawford. His is the work of executing the business matters and of generally overseeing the administration of Saintland. Much of Mr. Crawford's time is spent in giving personal counsel to students who are leaving school for college and the armed forces. His talks in assemblies will always be remembered for their human interest and appeal to the students.

Very much wanted to be a typewriter —

# STUDENT ADMINISTRATORS

Choosing as student leaders two outstanding, capable Saints, S.A.H.S. was proud of its achievements under Darrell Nelson, who upheld the finest Saint traditions during the first semester, and who will not be forgotten for his sincere talks in assemblies and his capable administration.

Equally proud of second semester accomplishments, the student body worked under the excellent leadership of Charles Schlegel from February until June. Darrell and Chuck measured up well to the student executives of the past and set a precedent for future Sammies and Sallies.

# COMMISSIONERS

JIMMIE SLEEPER, JOHN DAVIS, FERN DANNENBRING, LYLE CHRISTENSON, CHARLES MARTINI, MR. FARRAR.

Outstanding efforts of the Board of Control, consisting of the five commissioners and student body officers, in the War Bond Campaign made it possible for S.A.S.H.S. to buy sixteen army ambulances. This group met once a week with Robert S. Farrar for decisions on student affairs. Among their activities were the selling of Student Body Tickets, pre game pep assemblies, and Color Day. With two other committees these students worked hard to ensure the success of the Harvest Ball.

First row: F. Bell, C. Matics, P. White, D. Montano, J. Gulley, J. Brinkerhoff, A. Russell. Second row: G. Tipton, J. Nelson, Mr. Youel, R. Rodriguez, M. Hendrie, B. Halderman, M. Piper, H. Bradley.

# STUDENT RELATIONS COMMITTEE

Chairman . . .

CHARLES MARTINI

Under the capable leadership of Charles Martini, chairman, and Mr. Howard Youel, adviser, the Student Relations Committee served the school successfully this year by undertaking complete supervision of the halls, school grounds, hut, and other parts of the campus. In addition to their regular duties of guarding the gates and bleachers during the athletic season, this group participated in making the Harvest Ball a success. One of the major responsibilities of the organization was the sponsoring of the annual Citizenship Week. With the aid of posters, an assembly, and daily bulletins they presented their topics: Conservation, Tidiness, Good Conduct, and Courtesy. As a reward for their labors, this enthusiastic committee made up of eight seniors, six juniors, and four sophomores, along with the other student body officers, were participants of the annual "Ditch Day."

# SELF-GOVERNMENT COMMITTEE

Carrying out the spirit of a democratic school government, the Self-Government Committee had the difficult job of trying fellow students who had broken rules of the school. This "student court," which has the power to recommend punishment or discipline in extreme cases, is always ably advised by Mr. Stuart Carrier. Continually striving to work with the students in keeping order about school, this group concentrates on controlling bicycle traffic and in preventing mistreatment of lockers and other misdeeds which may come to its attention.

The committee consists of two girls and two boys elected by the student body, and of a chairman who is appointed by the vote of the committee. This year the chairmen were John Davis and Bill Duffy.

# GIRLS' LEAGUE CABINET

Capably led this year by Camille Hansen and Marcia Crane, the Girls' League concentrated on unusual special assemblies, and in decorating the huge Christmas tree in the foyer. From the proceeds of the sale of Sally Saint stationery, the League was able to purchase a $25 war bond. Thanks for the Christmas Dance decorations, and for the highly successful Co-ed Dance go to these girls.

JACK BRINKERHOFF

Working with untiring determination, and an all-out interest in making the Ariel one of S.A.S.H.S.'s, best, Jack Brinkerhoff, editor-in-chief, is responsible for this year's book. Creative ability, aptitude for figures, and an artistic eye combined to form the smooth working team of faculty advisers: Miss Blythe, Mr. Brown, and Mr. Rundstrom.

# ARIEL LITERARY STAFF

Under the careful scrutiny of Rena Steinberger, literary head, the staff of twenty-four pen pushers delineated this year's campus activities in prosy captions. The burdening task of editing, copy and proof reading the editorial content, likewise fell on the shoulders of this score and four scribes. Grammar presented no little problem, as always, to these authors, who, though at ease with word play, were not infallible with its construction. "Deadlines" for the Annual were met with precision and planning on the part of the various editors—not however, without their share of "midnight oil" sessions.

First row: H. Christ, J. Forgy, D. Ashley, R. Steinberger, H. Jordan, L. Allen, H. Chan. Second row: C. Cole, D. Adkinson, M. Fletcher, F. Buchheim, H Bradley, M. Yost, N. Andrews. Third row: F. Ybarra, L. Davy, S. Arterburn, L. Michaelson, J. Elliott, A. Berry, P. Bradley, J. Beyhan.

BILL ANDERSON, DICK DEAN

First row: B. Anderson, D. Dean, J. Howard, Mr. Rundstrom. Absent: M. Farney, M. Tonkinson.

# ARIEL PHOTO STAFF

Working steadily throughout the year, the Ariel photography staff flashed cameras at football games and other athletic events, in the class rooms; on the campus, in the hut, on color day, at assemblies, and even back stage. Catching members of the student body and faculty in interesting as well as amusing poses was their objective. Bill Anderson and Dick Dean were the two heading this important group. They and their assistants contributed greatly to the success and the completion of this year's Ariel.

# ARIEL ART STAFF

Artistic success for this year's Ariel, and the very important task of planning the layout were completed by the hard working Art Staff under the leadership of talented Gene Edwards. Having spent many hours of work arranging pages, planning backgrounds, discussing suitable designs for the cover, trimming pictures, and directing the artistic pictures of the school, this staff deserves a well earned word of praise. Its members also contributed much of their time to arranging the picture schedule, and to aiding the photographers.

# BUSINESS STAFF

Responsible for the sale and delivery of Ariels to the student body, the Business Staff has been kept extremely active. Heading this industrious group are those two energetic and capable businessmen, Wendell Losh and Ted Parker. This untiring staff spent many hours working on Ariel pre-sales in order that students might purchase their Ariels at a lower price. The well chosen members of this staff over came many obstacles presented by shortages due to the war, and delivered the goods at all times.

# The Generator

Meeting the first deadline seemed an impossibility to John Duke, Generator adviser, as he stood before seventeen students new to journalistic work. However, tradition and pride spurred the eager new journalists to meeting their first deadline. With the efficient help of Jimmy Sleeper, Frankie Buchheim and Lois Clay, Saints have received their paper regularly, despite paper shortages and printing rushes.

As if issuing the Saint's News Enlightner were not enough, the staff has undertaken several other important activities. Forming an Orange County Press Association was the brilliant idea of staff member Eddie Lopez; buying a plaque honoring deceased Saint Servicemen; and instigating a Cupid Messenger Service on St. Valentine's Day were some of the ingenious activities of this staff.

Socially, too, the staff was active with a Christmas party in the hut, a banquet, and with several members attending the press conference at U.S.C.

Good luck to a grand "fourth estater" a better associate Editor of the Quill

# LEAVES IN THE WIND

Penning their thoughts in the form of poems, stories and articles, members of Miss Lota Blythe's Creative Writing class made this year's LEAVES IN THE WIND not only a larger magazine, but also a spectacular and talent-filled one. With Patti Bradley as editor, and Jack Stanley as business manager, cooperation was heightened. Doughnuts sold in the foyer turned into dollars which published a creative magazine of which S.A.S.H.S. is rightfully proud.

# ALPHAS . .

● Presidents . . .PATTI BRADLEY, SHIRLEY ARTERBURN

This year's Alpha Club, under the direction of Miss Mary Safley and Miss June Shenton, has done much to credit it with the title of honorary Alphas. To become a member of this club, a girl must hold an outstanding office in the school. First activity of the year was to present holly corsages to all the teachers at Christmas time. Selling pencils equipped with the Saints' basketball schedule raised money for the Alpha award, which is presented to a Senior boy and girl for outstanding achievements during the year. Doughnuts sold at the mid-winter play provided money for inscribing the names of last year's winners on the Alpha plaque. A skit in the general assembly of May third, and scrapbooks for the U.S.O. furthered the club's activities.

# COMMERCE CLUB

● **Presidents . . . LOUISE PLUMMER, PATSY LONG**

Promoting commercial activities such as shorthand, bookkeeping and business training is the object of the Commerce Club, which, under the leadership of Mr. Milton V. Newcomer and Patsy Long, has a membership of forty students. Members of the Commerce Club are very active on the Ariel Business Staff, and have promoted the highly successful War Bond sales. Every year the club enjoys a field trip. This year members visited the Orange County Title Company to observe the operation of a big business house.

# HONOR SOCIETY AND ROLL

● President . . . PATTI BRADLEY

"Being intelligent is a good way to get along in the world." S.A.S.H.S. honorary clubs have as their aim to stimulate, to recognize, and to reward the superior attainments of students in scholastic and student activities. Four semesters, one of which is in the senior year, entitles an Honor Society member to become a life member of the California Scholarship Federation. An important function of these clubs is the Sammy Saint Mail Box for Saints in the service. Highlight of the year is the annual Honor Society and Roll Ditch Day. Miss Lota Blythe acts as adviser of these clubs.

# DRAMA CLUB

● President . . . DON RAINS

Reorganizing the Drama Club was the task that Miss Christine Caruthers, Santa Ana High School's dynamic Drama teacher, and her aspiring Thespians took upon themselves for the year. It wasn't long before the club became one of the most popular organizations in the school. Aims were to further the arts of stage craft, acting, and playwriting. Meetings held every second and fourth Tuesday of the month culminated with entertainment by various students. After planning great doings for next year, when the Club will have become an established organization, dramatists completed their activities with a hayride.

# HOME ECONOMICS CLUB

● **President . . . BETTY FOWLER**

Under the leadership of Miss Mary Frances Parker, the new Home Economics Club has as its objective, service to the school and community and the encouragement of homemaking. Sixty-five enthusiastic members met every two weeks; organized a cabinet with representatives from the three classes; promoted a monthly potluck supper with dancing in the Hut. They also carried out a campaign to encourage the eating of nutritious breakfasts for students. S.A.S.H.S. welcomes these homemakers, and wishes them every success.

# SPANISH CLUB

● **Presidents . . . LESTER NIEBLAS, BOB HOCKADAY**

To become familiar with the Spanish language and Latin American customs was the aim of this year's very active Spanish Club. First big event of the year was the traditional week of peones and hacendados. At the first meeting, these peones furnished the entertainment. Following the Christmas party were two meetings featuring the German Band, and a talk on Spanish and musical instruments. Motion pictures on Latin America, and, finally, the annual cabaret spotlighted the year's events of this club, whose advisers are Mrs. Ruth Rodriguez and Miss Anna Trythall.

# FRENCH CLUB

● **Presidents . . . JOHN DAVIS, CHARLES MARTINI**

Starting the year's activities with a hamburger supper in Virginia Ross's backyard on May 11, the French Club continued these activities on December 6th with a Christmas dinner of spaghetti and French bread. The object of this active club is to stimulate an interest in French people, their language and customs, and to bring students closer together socially as well as academically. Further meetings included the largest one of the year, on February 28th, featuring the initiation of new members, a program put on by them, with an hilarious impromptu program following. May 9th was the date for the last meeting of the year. Since a picnic was impossible, an evening in the Hut was devoted to games, dancing, and refreshments. The French Club's adviser, Miss Thelma Thomas, was assisted this year by Presidents John Davis and Charles Martini, and by their respective staffs.

# LATIN CLUB

- Consuls . . . JOAN BARKER, JIM RAWDING

To make all Latin students better acquainted with each other, and to promote social activities is the Latin Club's objective. Outstanding activities of the year were the two slave sales, whose profits with the yearly dues make the Latin Club the wealthiest club in school. At the two evening parties held during the year, the slaves joyfully celebrated their emancipation. At meetings held before Christmas, the club sang Christmas Carols, in Latin. The final meeting of the year was a picnic at Santiago Park. Miss Arnoldy leads the club as its adviser.

JACK STANLEY

Taking an active part in both social and community projects, the Kappa Hi-Y club, led by Jack Stanley and Tommy Andrew, carried out a successful year's program. With three trips to Fern Lodge, with basketball games, a deep-sea fishing trip, several dances and banquets, and with such projects as a letter to the City Council on "Juvenile Delinquency," the club rendered many services. The making and distributing of posters for worthy causes, and listening to prominent speakers furthered the interests of all members.

Selling candy and pop at our basketball games was the Tuxis' job. This and other activities have been the task of the thirty active members of the Tuxis. The Tuxis, a Y.M.-C.A. organization under the direction of Leon Lauderbach, is composed of members of the First Presbyterian Church, where they hold a dinner meeting the second Tuesday of each month.

MARCIA CRANE

CATALINA URQUIZA

Composed of S.A.S.H.S.'s junior and senior girls, this club has as its capable adviser Miss Caroline Lowry. Catalina Urquiza and Marcia Crane led the club as presidents. A penny carnival with the Psi Kappas, and furnishing hostesses for a conference were only two of the many activities sponsored by this club. Entertaining meetings and programs, as well as refreshments, made every other Monday a "must" for its members.

● President . . . MARGARET REZ

Active in civic affairs, these sophomore girls, under the direction of Miss Carolyn Lowry, have made a success of this new branch of the Beta Tau's. These nineteen girls will be ready and able to fill their big sisters' shoes in the coming year.

# MAJORETTES

The Majorettes were chosen this year by Mr. Douglas Lamont and Miss Maxine Knight, for looks, ability, and scholarship. A head Majorette was not appointed, since all three girls took part in perfecting routines. Accompanying the Band to the Band Festival at the University of California, these girls, representing Santa Ana High School, were well chosen, and have established a precedent which, we hope, will be followed in future years.

# USHERETTES

Perhaps the most fortunate group in school this year is the Usherettes. These girls have had opportunities to assist such notables as Vivian Della Chiesa, the Don Cossacks, Paul Draper, Larry Adler, Igor Gorin and Veloz and Yolanda. By ushering at Cantando Club Concerts, the girls have served Santa Ana admirably. Beside their civic duties, this group ushered at all the school activities, under direction of Mr. Howard V. Youel, adviser, and Barbara Rohrs, head usherette.

# SANTA ANA HIGH SCHOOL BAND

Contributing a great deal to the success of this year's football team is the Santa Ana High School Band under the direction of Mr. Douglas Lamont. Participation in pep assemblies, snappy new routines, and collaboration with the rooting section all gave favorable recognition to the Band. It did not, by any means, remain inactive at the close of the football season. A selected group served as a pep band at the home basketball games.

Beside featuring in the world of sports, the Band, in conjunction with the Orchestra, presented a Spring Concert, and attended the Southern California Band Competition at the University of California. This year, Band membership makes the musicians eligible for the Alpha award. This fine organization will always remain a vital part in our Student Body. Its members deserve a cheer and a vote of thanks.

# ORCHESTRA

Band and Orchestra Director . . .

MR. DOUGLAS LAMONT

A very busy group this year was the Santa Ana High School Orchestra, which, also was known as a concert ensemble, containing just sixteen members. The enlarged orchestra, which is familiar to every Saint through our assemblies, was bolstered by other students who were not taking orchestra as a class, but who wished to be a part of it.

Under the direction of Mr. Douglas Lamont, these musicians played for the P.-T.A. Open House, the Mid-Year and Senior plays, and for assemblies. In conjunction with the band, the Orchestra presented a Spring Concert, April 27.

This group is deservedly honored by the school, for its members and director have worked hard. The people of Santa Ana who have seen our Orchestra have been favorably impressed. As a special honor, members received a radio audition.

With the combined harmony of one hundred voices, this year's choir was the largest and one of the most active in the history of Santa Ana High School. Presenting the popular "Ballad for Americans," and other well-known numbers, the choir appeared for school assemblies, sang for various service and women's clubs throughout the county, and appeared for the twenty-fifth anniversary of the founding of the Rotary International.

In addition, this group gave two programs at the Santa Ana Army Air Base, singing on behalf of the American Red Cross for the convalescent soldiers; and they presented a city-wide program for Public Schools Week. Their participation in the memorial assembly for President Roosevelt will never be forgotten. Taking solo parts in the Choir were sophomore Patti McFarren and juniors Herb Christ and Garman Cruzen. Mary Parker acted as accompanist.

Social activities this year included a Christmas buffet supper and a spring picnic. Singing at the Baccalaureate and Commencement exercises completed this year for the choir.

MR. HERBERT BICKEL

# HARMONETTES

Nine Sally Saints selected by a contest at the beginning of the year called themselves the Harmonettes. Dressed in pastel formals, these girls furnished music for community affairs in Santa Ana and surrounding towns.

Seated: D. Nickels, P. McFarren, M. Bullock. Standing: E. Adams, J. Beyhan, B. Leach, R. Lauderbach, C. Davis, G. Helsom, M. Bennet.

# DOUBLE QUARTETTE

Making the boys' quartet a separate period of the school rather than an outside activity has increased this group's prestige, and has contributed to its vocal proficiency. The P.-T.A., the U.S.O., the service clubs, and a talent assembly at the Anaheim High School gave these boys an opportunity to demonstrate successful performances.

M. Kaiser, E. Elliott, L. Roy, J. Walker, B. Leach, H. Christ, B. Parker, D. Nelson, A. Pederson.

# STRING ENSEMBLE

Directed by Mr. Douglas Lamont, the String Ensemble played this year for many civic programs, including a Cadet graduation at the Santa Ana Army Air Base, and providing music for the Football Banquet. Its most interesting activity was helping the Choir to make a motion picture.

C. Crane, L. Jones, O. Burks, B. Patterson, G. Hantzbarger, B. Heath, E.

# GERMAN BAND

Volunteers from the Santa Ana High School Band, directed by Bob Hockaday, formed a "German Band" this year, performing ably at basketball games, at pep assemblies, and at student talent shows.

B. Baker, M. Hill, D. Rains, W. Schirmer, R. Hockaday, V. Crawford.

# STAGE CREW

Making a success of all backstage activities, these handy fellows worked as a team with their able leader, John Shaffer. Making sets for the plays, setting the stage for all kinds of entertainment, and handling the lights were the jobs of Dick Dean, Archie Jensen, Jerry Howard, Don Nielsen, and Bill Anderson.

# PRINT SHOP

Printing the daily announcements, forms and blanks for the office, Leaves in the Wind, The Generator, and this year's Ariel were among the many jobs of the High School Print Shop. Willard E. Francis, supervisor of printing; Arthur R. Hull, pressman, and Mrs. Gilbert Martien, print shop secretary, worked hard to make these publications successful.

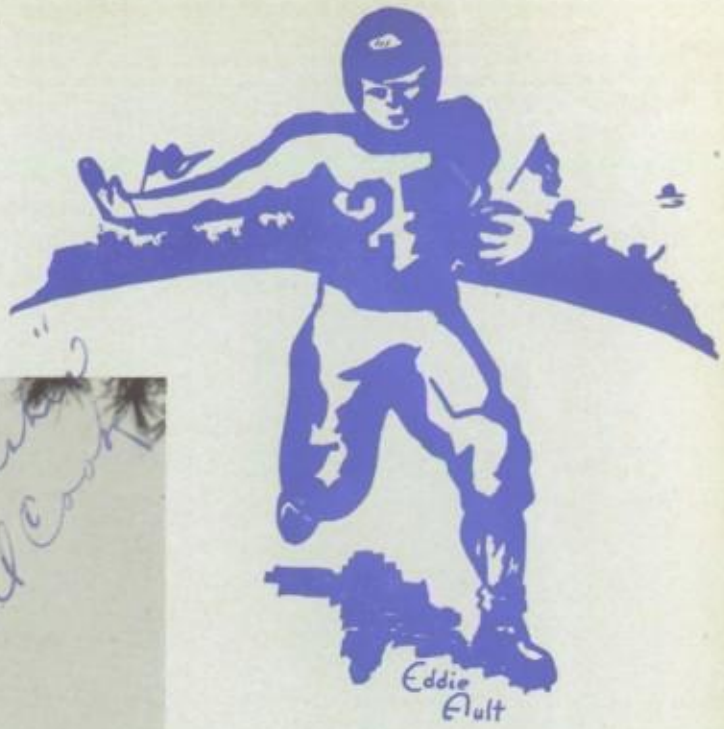
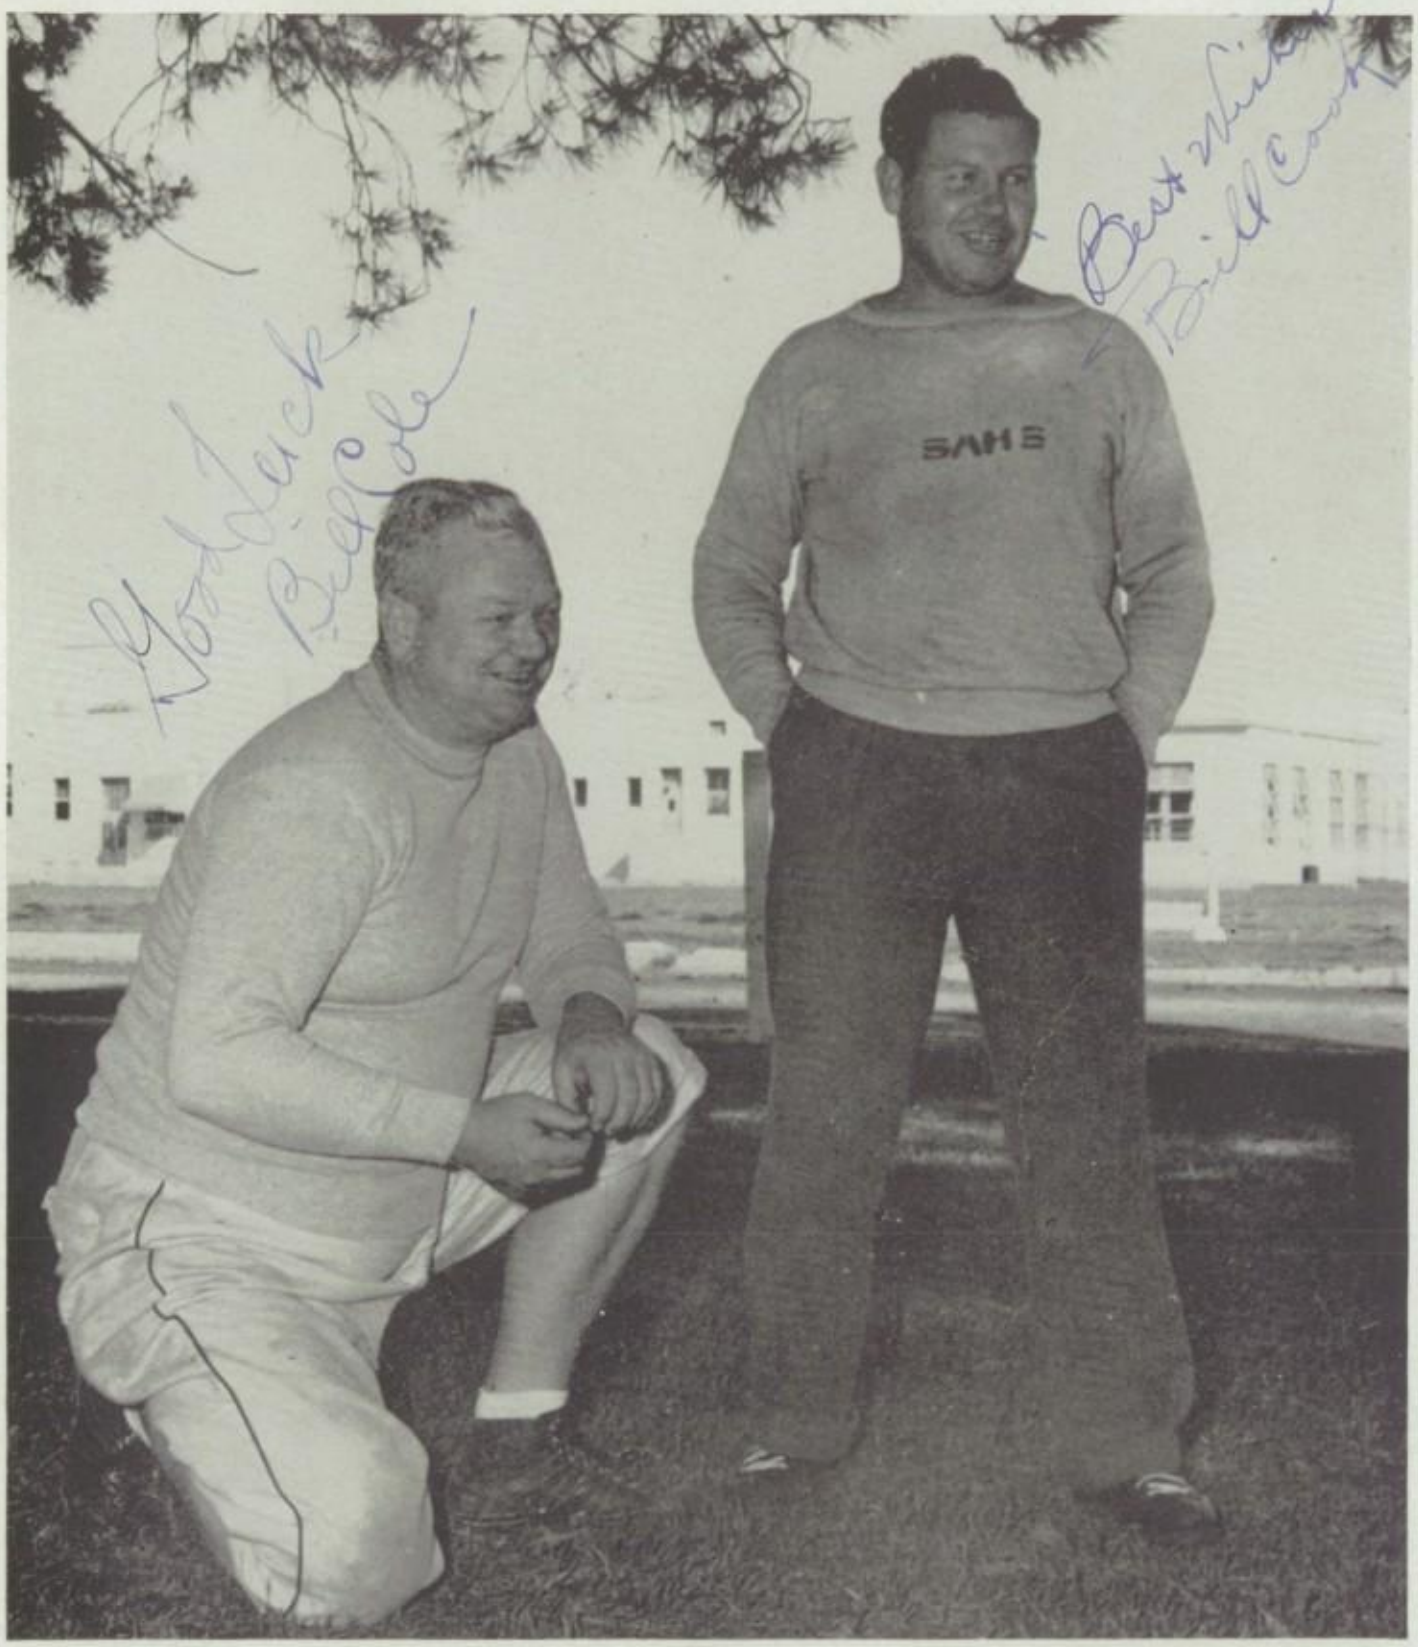
# FOOTBALL . . .





Coaches . . .
BILL COOK
BILL COLE,

Maestros Cole and Cook, the brains of the brawny bunch of '44 Saints who romped undefeated to two championships, have a lot of which to be proud. Jolted by the early loss of Co-Captain Jim Cook, hard hitting tackle, the Big and Little Bills filled in, and the boys in red took "the ball right down the field" with Co-Captain, signal-calling Saint of the Year, Bill Duffy, at the fore.

While a football squad may have good—even great players, it is only as "hot" as its coaches. This year's fighting Saints were really "hot." Cook's backs, and Cole's line decisively whopped any and all opponents who dared attempt to mar the golden title of "Champs."

# CHAMPIONS

'DUFF'

**SEPTEMBER 29—SANTA ANA 21, COVINA 0**

The world first caught sight of the "44 Saints" as they started on the old championship road with a pre-season massacre of the red-men of Covina. The Colts, out played in both line and back field, fell easy prey to Saint might.

**OCTOBER 6—SANTA ANA 19, RIVERSIDE 7**

Seven points behind at half-time, the Saint powerhouse literally exploded in the third and fourth quarters. Strategically placing backs Duffy, Taylor, and Daniels in the Bear's end zone, the Saints managed to liven up what Riverside had hoped would be a quiet evening.

**OCTOBER 20—SANTA ANA 6, FULLERTON 6**

Although the score was indecisive, there was no doubt that Santa Ana had the greater team. Stubborn on the goal line, the Indians nevertheless made only two first downs to the Saint's sixteen and piled up but one third the yardage of the Saints.

## OCTOBER 27—SANTA ANA 20, ANAHEIM 6

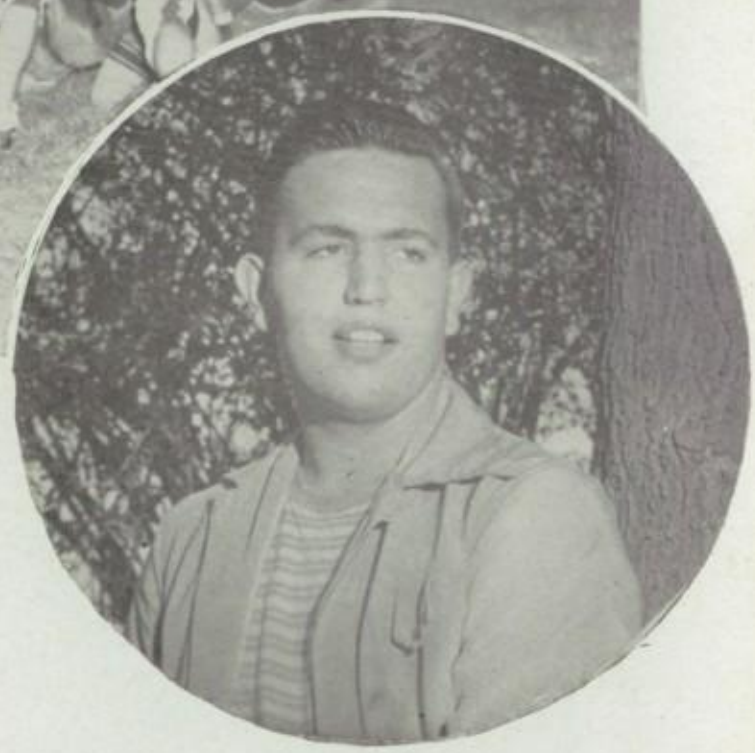
In this second league tilt the Saints took to the air, passing the Colonists into an early and uncomfortable grave. Boundin' Bill Duffy, too battered to bound much, chucked two T.D. passes, shared honors with Buddy Halderman who snagged one, and scored again on a sneak.

## NOVEMBER 4—SANTA ANA 7, NEWPORT 6

Slowed down by injuries in the back field, the usually speedy Saints turned to power, and with it smashed Sailor championship hopes. Twinkletoe Snow, Saint center and after point man, took top honors as he converted the winning point, his eighth of the season.

## NOVEMBER 17—SANTA ANA 20, ORANGE 0

Orange, always the Sunset League dark horse, had another dark evening at the none too gentle hands of a virile bunch of eager Saints. Injuries healed, Santa Ana flash backs set the year's total yards gained record, while the bruising line allowed but one first down.



'JIM'

## NOVEMBER 22—SANTA ANA 14, HUNT. BEACH 0

A fast, effective Oiler eleven bowed unconditionally to the superior boys in red. With hop-scotching backs breaking into the open and a murderous line knocking huge holes, "The Duffer" strolled into Huntington Beach pay-dirt again and again. Thus the Saints finished the rugged Sunset League competition.

## DECEMBER 1—SANTA ANA 15, EXCELSIOR 13

The big game for the C.I.F. Divisional Championship came when the powerful Pilots of Excelsior invaded Saintland. Encouraged by an early 13 point lead, the Pilots were flying high until Santa Ana's Bill Duffy made his second tally of the evening, thus tying up the ball game. The big thrill, however, was provided in the last 30 seconds of play when line bashers Brinkerhoff and Piper flattened Excelsior's finest for a two point safety. This act left Santa Ana undefeated, undisputed, Divisional Champions.

# JUNIOR VARSITY

Coming through with a strong, well built Jay-Vee squad in the 1944 season gave S.A.S.H.S. a championship Varsity team. Giving the Varsity squad trouble during the week in preparation for the Friday game were such fearless men as Fleet Bell, Chuck Schlegel, and Leland Sweetzer.

Taking on teams in the Orange league on several occasions they showed exceptional talent in downing all foes by decisive margins.

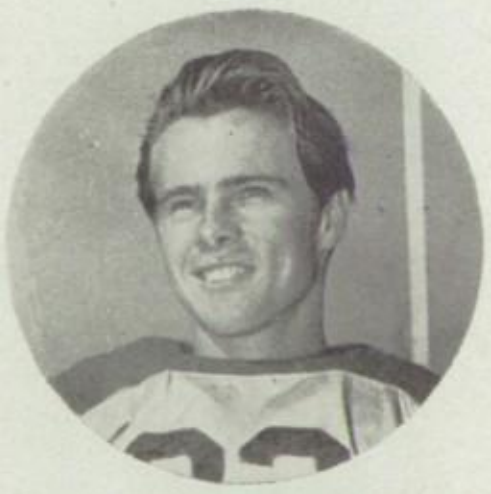
# BEE FOOTBALL

Although no Santa Ana "B" football team has ever won a championship, the "little Saints" have always practiced the fine qualities of sportsmanship, leadership, and clean football that is even more important than winning. This year's squad is no exception to that rule; rather, it is a shining example of the best of football.

Coach "Pinky" Greene's "44 Bees" were a scrappy lot. They proved that when they smashed their age-old rivals from Fullerton in the first game of the season. They proved it again when they tied the league's strongest team—Newport—in a marvelous second period comeback.

Enemy power overcame the Little Saints in some of their games. Anaheim, Huntington Beach, and Orange each made more points than the "buzzin' Bees"; but if they lost, they lost with valor, never failing the ageless Santa Ana tradition of hard football.

Next year the "Little Saints" will be Varsity. Although they were not "Champs" this year, their spirit, and fight will always make them a credit to the Saint football world.



Captain . . .
DON REHM

Starting the season with an almost entirely green team, containing but one returning letterman, and no '44 regulars, Coach Bill Cole's, luckless five met only trouble and disaster, losing all but one game. But if fight, spirit and loyalty were everything, this year's Saint basketeers would have been champions, for in these qualities they were unexcelled.

In many ways, Captain Don Rehm's fighting five really were champs. If it was their lot to lose, they lost with honor. No Saint basketeer was ever accused of poor sportsmanship. They fought hard; they played for the love of the game, and, although there will be no gold basketballs this year, Santa Ana may well be proud of her fighting five. Sometimes there is glory, even in defeat.

# BEE BASKETBALL

One of the most heart breaking of school sports this year were the basketball games of the Little Saints. Anaheim, Fullerton, Newport, Huntington Beach, all eeked out close wins in the first round of the Sunset League. Then came the game with Orange in which the "Bees" showed wonderful teamwork, and downed their rivals easily.

Anaheim and Fullerton won by two points in the second round, although the Little Saints had an edge most of the game. Then Newport won by just one point. However, Sammy Junior turned the tables on Huntington to win this contest by one point, and again won from Orange, to finish fourth in the league.

Coached by Bill Cook, the "Bees," captained by Rolf Engen, will send many high scoring players to the varsity squad next year.

# VARSITY TRACK . . . SUNSET LEAGUE CHAMPIONS

With "speed" as the password, the Saint Varsity spikesters brought home still another championship to Santa Ana. For Coach Reece H. Greene's pride and joy, the Sunset League Track Finals at Newport Harbor was but a formality. It was, however, a pleasurable formality, since Santa Ana overwhelmingly defeated the second-place Oilers 60½ to 22.

Speedsters, Turley, Duffy, Anderson, and Daniels formed an all-conquering relay team which proved to be one of the best in the Southland. Hurdlers, Schlegel and Baird, Quartermilers Martini and Nelson, and Half-milers Van Deusen and Davis all helped to pile up the huge total of Victory points.

Perhaps the most outstanding of an outstanding team, however, was high-jumper Franklin Nickey. Nick, a constant six foot leaper, not only beat some of the best competition in Southern California in the saw-dust pits, but won the Sunset League shot-put, and qualified in the high hurdles.

Coach . . . REECE H. GREENE

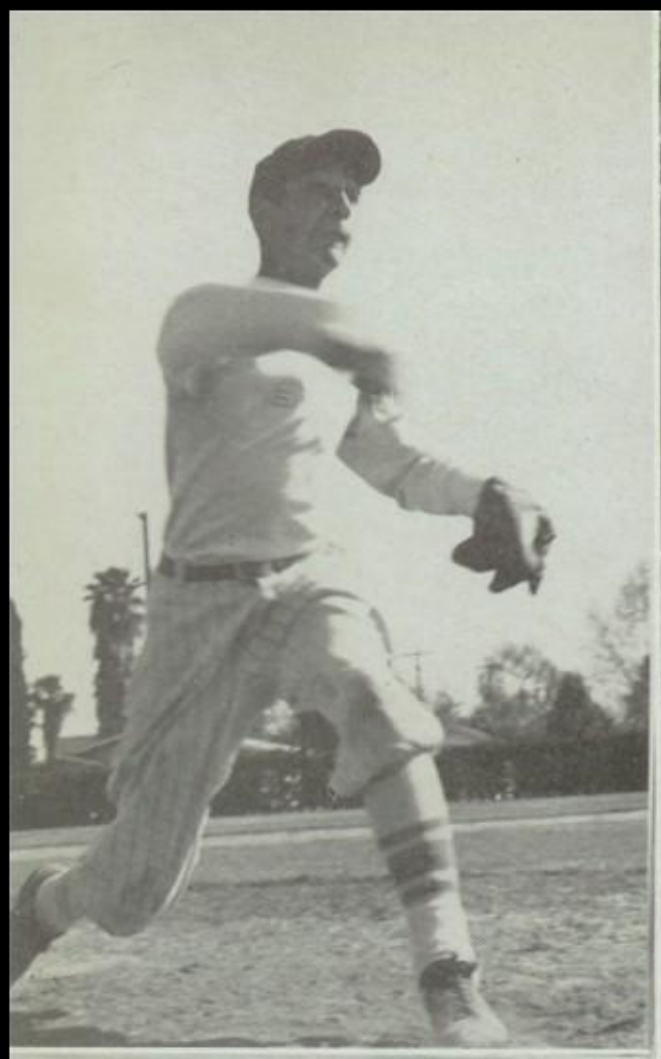
First row: J. Davis, M. Piper, W. Baird, C. Martini, B. Turley, F. Nickey, C. Schlegel. Second row: E. Kinney, C. Daniels, E. Van Deusen, C. HeDeen, D. Mathews, J. Stanley. Third row: B. Anderson, L. Allen, N. Munselle, M. Lassiter, N. Metz, E. Beard.

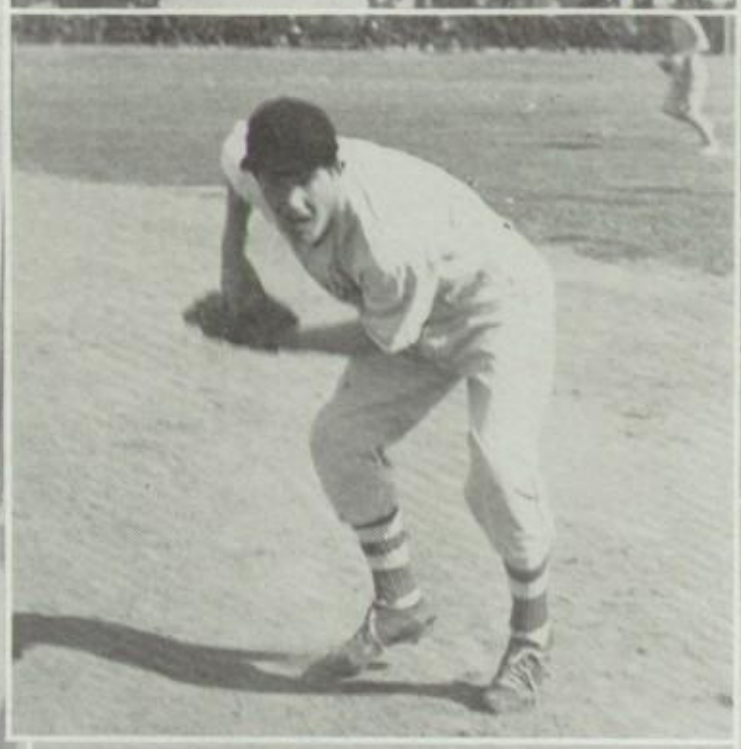
# B TRACK

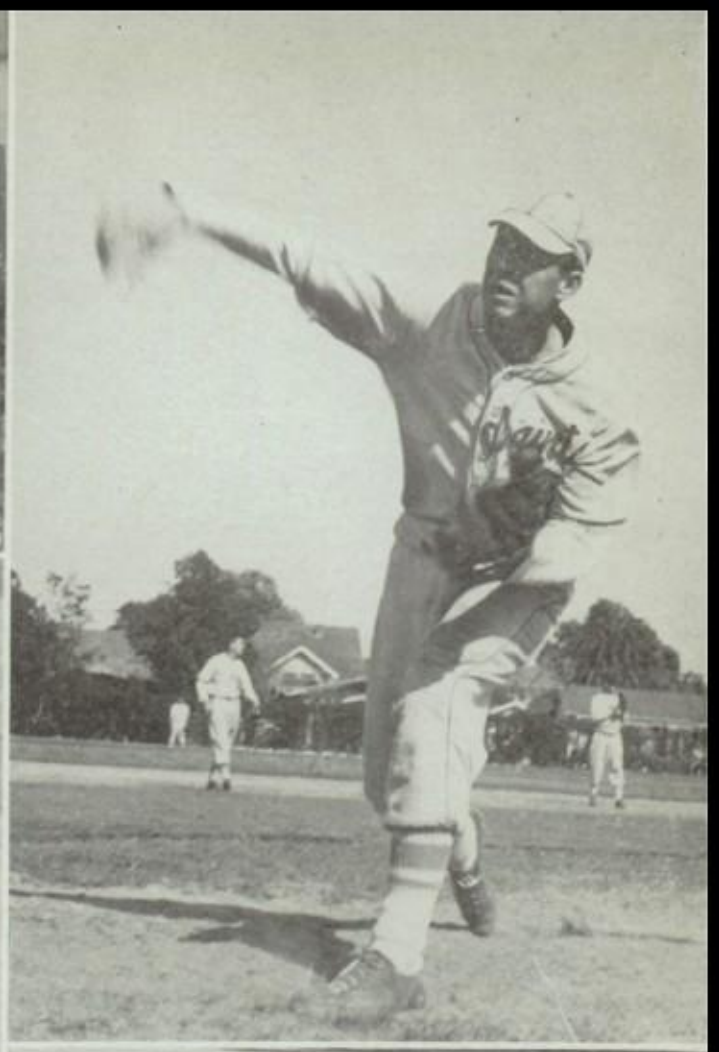
Although slightly shaded in most Sunset League competition, those who knew the Bee tracksters never had any doubt of their ability. Championship hopes, however, were squelched early in the season by the transferring of several flashy Bees to the A's, in order to make sure of a murderous varsity. But even the near depletion of their team did not stop the remaining Bees from striving toward that top-spot that they so richly deserved.

Hard-earned glory finally came to the Little Saint cinderpathers at the rugged Chaffey Invitationals. The best and most skilled track men of Southern California gathered at Chaffey on April 28. Each of the twenty-seven schools strove desperately to bring home either the "A" or "B" trophy cup. Today the two-and-one-half foot "B" victory cup is in the trophy case of Santa Ana High School. Coach "Pinky" Greene's long suffering hard hitting Little Saints finally brought home the bacon. S.A.S.H.S. is proud—as well it may be.

First row: M. White, L. Johnson, H. Sargent, N. Palm, R. Sewell, H. Grimes, G. Mitchell, V. Evans. Second row: H. Chan, C. Blanding, D. Bass, G. Tomasek, C. Crawford, J. Hynds, G. Haley. Third row: D. Alford, R. Snow, J. Rawding, R. McCune.







# VARSITY BASEBALL

Judging by indivjdual ability, Coach Greeley Timothy's 1945 sandlotters would be high contenders for the Sunset League crown. Victories in pre-season tilts over Tustin and Garden Grove raised even higher the hopes of Captains Christianson and Dietrich's rugged nine. Those same hopes, however, took a tumble when the locals were edged out by Fullerton in the first game of the league season. Those who watched the local nine in later competition, however, saw a fast, proficient team play some outstanding baseball.

# SWIMMING

It has become a tradition here at Santa Ana High School to have every year, at least one championship team in the swimming pool. The splashers of 1945, captained by Jack Brinkerhoff, who couldn't swim because of sinus, and Don Paull, have carried on that tradition by producing one of the best Bee teams ever to don the red and white. The Bee's many victories in dual competition were just a prelude to their triumph in the Sunset League Finals at Anaheim.

The varsity, lacking many of the stars of last year's championship squad, earned no gold swimmers. Their record, although not outstanding, is at least good. Forming around veterans such as Paull, Scott, Smith and Losh, the "A"s, advised by head coach, Bill Cole, properly dunked in dual competition except the first-place Indians.

In spite of war time difficulties, the lack of a coach, and more service-bound athletes, the Saint swimming team has carried on with the motto, "Can Do."

# TENNIS

Coach John Duke's racket wielders were expected to end the season at the top in league competition. Tom Tapscott, Captain, and his fellow netmen proved exceedingly powerful in pre-season matches. The junior and sophomore talent was especially gratifying to Coach Duke. A strong Saint team is expected next year.

Losing all but Tapscott and Christ of last year's varsity squad through graduation, the Saint netmen had to develop by fast, hard work to become a strong team in this area. Their opponents were more experienced, but as usual, Sammy came across with upsets to win the majority of matches.

Two outstanding meets of the year were trips to the Dudley Cup Tournament and the C.I.F Bee tournament in Alhambra. Tapscott, Christ, Ranney, Crenshaw, Watts, Smith, and Goings represented S.A.S.H.S. in these big tournaments.

# GIRLS' ATHLETIC ASSOCIATION

Composed of girls who have participated in at least one season of a team sport, the G.A.A. has one of the largest memberships of any school club. Under the capable leadership of Fern Dannenbring, G.A.A. president, the club has accomplished a great deal in the way of school activities; namely, successfully sponsoring a Football Dance honoring our '45 championship team and a playday for all G.A.A. members. Presentation of special awards to those girls who earned a required number of points, ended the year for the G.A.A.

Responsible for outlining and executing these plans for G.A.A. activities was a G.A.A. Board composed of the four officers, six sports managers, and Miss Alverda West, adviser.

# CALENDAR . . .

# SCHOOL AGAIN . . .

**Registration . . . Ariel . . . Harvest Ball . . .**

Dear Diary:

Sammy and I cleaned our slates and began another year at good ole S.A.S.H.S. We registered, and spent our first few weeks in a high state of nerves, with occasional assemblies featuring Mr. Crawford.

Finally we got our classes straight; then, after getting our school affairs lined up, we began the year's social events with the famous Harvest Ball. It was swell—even if I didn't have the longest pigtails. Advertisement for it was good and loud—and everyone had a swell time. I didn't even mind when Sammy put straw in my hair—

# POLITICS & BONDS . . .

**Politics . . . Politics . . . Politics . . .**

"Hey, Sammy, who you votin' for?"

What a familiar question! Sally and I went through many hours awaiting final election results. Excitement plus for candidates and voters when election time rolled around. We really had hot campaigns, with posters, signs, bands and speeches. We had swell results, too, with super officers.

Competition for cheer and song leaders was great this term. Sally was pretty disappointed when she lost out in the finals for song leader; but being a good Saint, she, too, agreed with the judges' decision.

Wish I'd tried out for more offices. Oh well—

# ASSEMBLY SKITS . . .

**Skits . . . Music . . . Drama . . . Fashions . . .**

Memories come pouring into my head too fast for comfort, so I'm releasing a few for publication.

Sally made a swell model in Adam's Sportswear's super-duper fashion imagine—only one man in the world!

I nearly split my halo laughing at the Spanish—German—Pep Band. We had good music, too.

I couldn't help staring at that dreamy Valentine package. Poor Sally's jealous! ! !

We have swell memories, don't we—

# CLUB PARTIES . . .

**Cakes . . . Parties . . . Birthdays . . .**

That early morning (!) party at Mr. Carrier's was something I'll never forget. Camille mowed the lawn; Mr. Carrier baked the cake, and a good time—and breakfast—was had by all. More fun!

Of course, Sammy and I attended the gala reunion of "El Club de Espanol." Those poor suffering peones! They really had a hard time trying to reason with their horrible hacendados. Ditto for the Latin club. Oh, those slaves!

Dusting off his musical saw, Sammy and I spent a wonderful evening at the band party. I love parties.

# FOOTBALL & COLOR DAY

**Football . . . Saints' Victories . . .**

I guess we had the best football team possible this year. We really stacked up the victories. Sally and I practically yelled ourselves hoarse—but it was worth it.

King Sammy and our cheer and song leaders did a wonderful job of pep morale building. And, gosh, does that Victory banner look good!

Coaches Cole and Cook deserve every bit of praise we can give. Sally and I were really proud of our team and coaches this year.

Of course, color day was another big event—complete with the Kangaroo Court. I sure feel full of school spirit—

# SEVENTH HEAVEN . . .

**Drama . . . Suspense . . . Finale . . .**

Well, I took Sally to see Seventh Heaven tonight. Sure glad we went! It was swell. Heard that Miss Caruthers and her artistic delegation put a lot of time on advertising material—it was well worth it.

Sally and I also got in on the "after-the-play" party in the hut. Mr. and Mrs. Shaffer were enjoying themselves thoroughly. Gosh, that Maurice Johnston's a good actor! I wish Sally wouldn't look at him that way. Oh, well. Marilyn Yost is oke by me, too. I hope that we have more first rate plays like "Seventh Heaven."

# CHRISTMAS & SNOW . . .

**Mountains . . . Snow . . . Dancing . . . Drama . . . Christmas . . .**

Sally tells me that their mountain party was a great success. Bev is surely having fun.

I never tire of taking Sally dancing, especially to a school sponsored dance.

As we Saints say, "Beanies Off" to Marcia, Don, Maurice and Harold. The Christmas play really made me stop, and think about the true meaning of Christmas.

Having a real, big, beautiful Christmas tree at school gave the perfect touch to the Yule tide season.

I don't think that Sally will ever forgive me for throwing that snow ball—

# VALENTINE DANCE . . .

**Valentines' Day . . .The Dance . . . Assembly . . .**

Gosh, was that ever a swell day! I like to remember that assembly with Tom Andrew and his cute troupe advertising and "politicizing."

Everyone had a good time at the dance. Sammy and I were the first to buy our tickets from Chuck Schlegel—the super saint salesman.

It was swell when Rudy played the piano, and Jim Cook was a keen record man for the evening.

Some of the kids played cards for a while—but Sammy and I dreamed away the evening by rocking to those hot rhythm platers. Gee, Sammy's a good dancer—

# EASTER VACATION . . .

**Carnivals . . . Valentines . . . Beach . . .**

Sam and I had a lot of fun at that French Club party—those sketches were swell. The Y's Penny Carnival was the best party we've had on a few pennies for a long time. Which reminds me of another good idea we had this year—the singing Valentines.

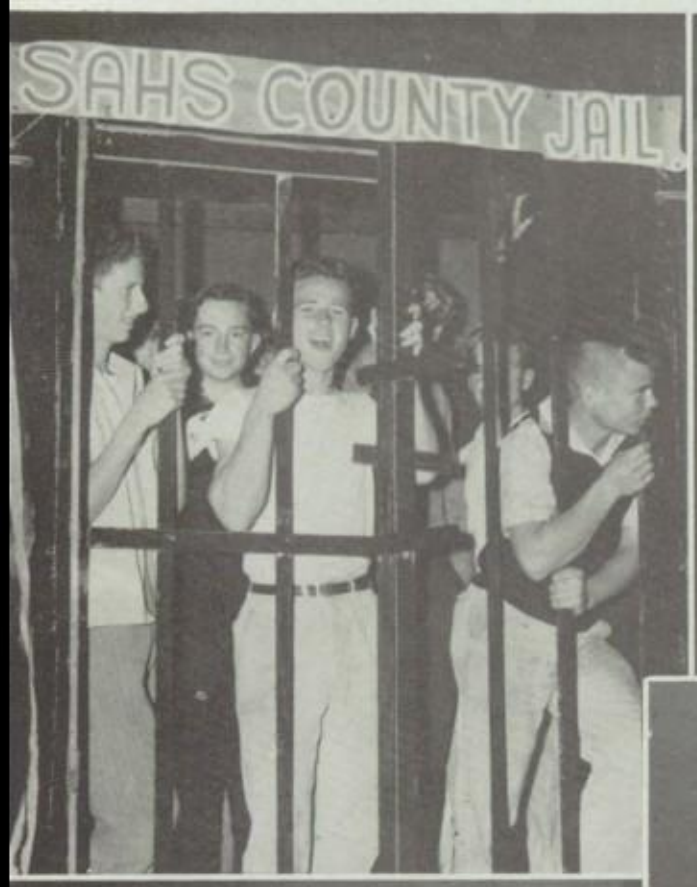
Gee, it seems good to go swimming at the beach again. Sammy looks swell with that super tan, and as soon as I stop burning and start browning, I'll get a good tan, too. (I hope.) I wonder if last year's bathing suit will be oke for this year—

# COLOR DAY & CO-ED . . .

**Red'n White . . . Kangaroo Court . . . Glamour Boy . . .**

I'm glad I wasn't one of the unfortunate victims of Color Day Kangaroo Court—Sally and I both out did ourselves with our red and white costumes. Getting "glamorized" and being sprayed unmercifully were just a few of the punishments suffered by the S.A.H.S. country jailbirds. Of course, the other extreme was the really swell color day costumes we had.

Dancing to Howard Hill's super orchestra really made this year's Co-ed tops. Sally sure looked dreamy in her new dress. I never knew we had such glamour among the male sex. Glamour boy—



# SENIOR PLAY & ASSEMBLY...

**Rain or Shine . . . Sports' Awards . . . Gags. . . .**

Sigh (!). I wonder if Sally and I would act like that. I could see the green daggers Peggy shot at Marjorie when Brink a—well—a—oh, look for yourself. I felt sorry for Chuck. Hope Sally never gets that mad at me. Wow! I bet that hurt. "Come Rain or Shine" was well worth anybody's money.

I've heard that dynamite comes in small packages, but gosh, not that small.

Those fellows really knocked themselves out giving that skit. In fact, we almost knocked ourselves out laughing at it—

# STUDENT BODY PICNIC . . .

**Races . . . Spills . . . Laughs . . . Food . . .**

Picnics surely are fun, especially when taken by my best beau. Boy, was I proud when Sammy ran in those races, even though he did take a few spills. I guess I looked funny with pie smeared all over my face.

Yum! Yum! I can still smell that delicious aroma of hamburgers simmering in that super sauce. I surely love home-made chocolate cake.

Sleeper really put this skit over with a bang. That black face review was the funniest play, but how could he miss with such talent.

Sammy sure caught on to the New Yorker fast. What a dancer—

# MEMORIES . . .

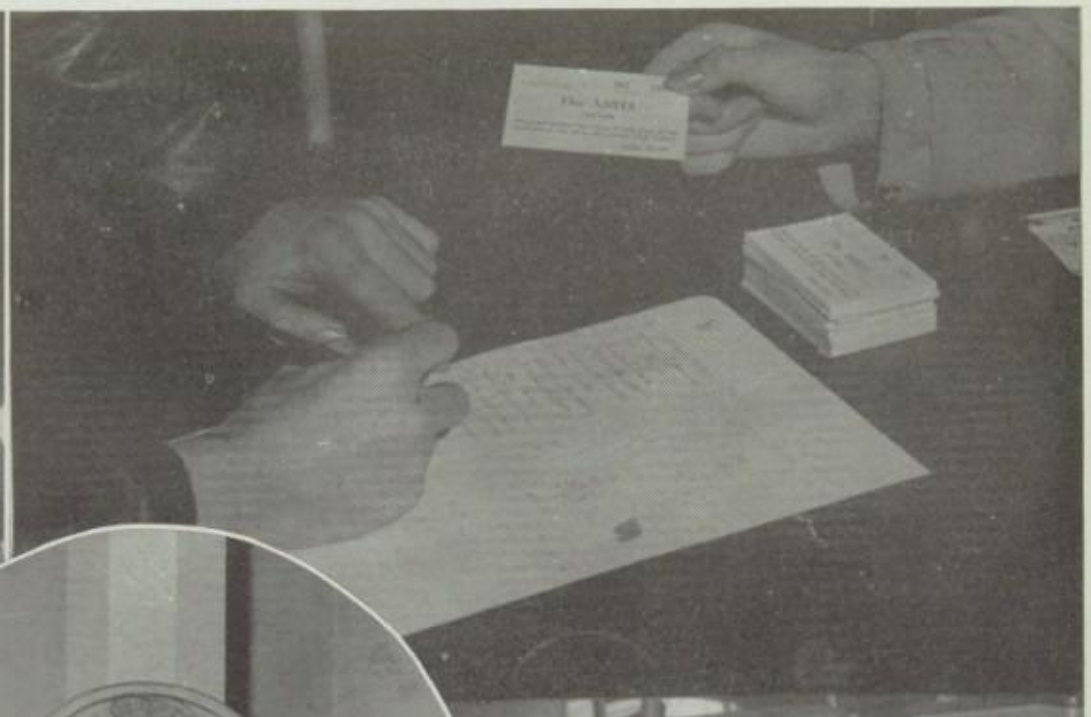
**Cafeteria . . . Pre-sales . . . Assemblies . . .**

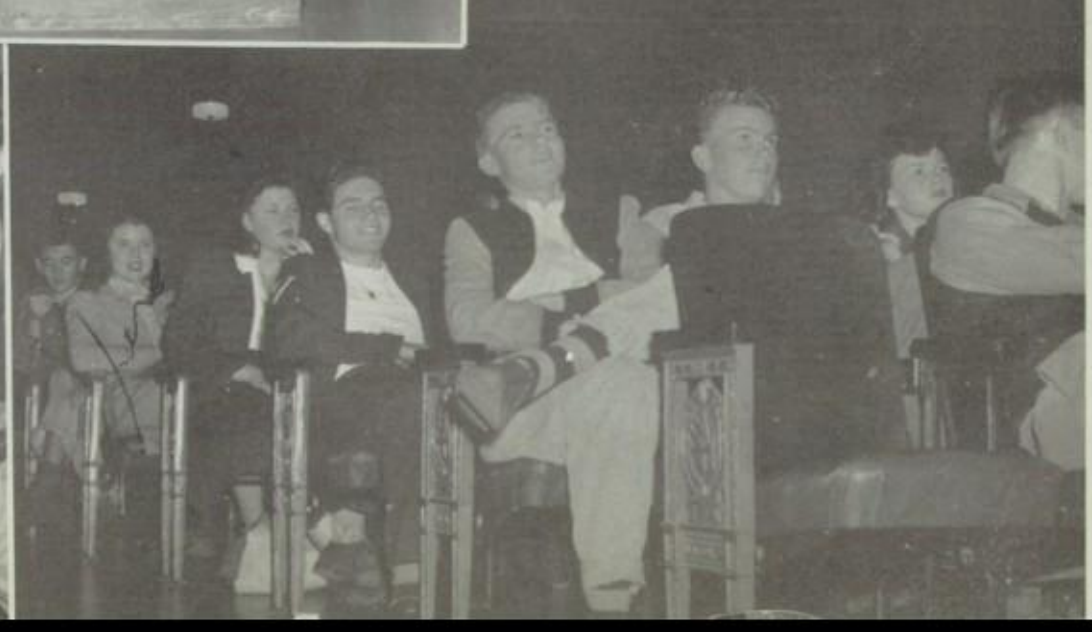
Sally was saying the other day that she really would miss those social Saint noon hours. We've had some wonderful lunches and dancing during noon hour in those two buildings.

Swallowing lumps in our throats, Sally and I watched the impressive unveiling of our memorial plaque. We Saints will endeavor to carry on the job for those Sammies who will not be returning—

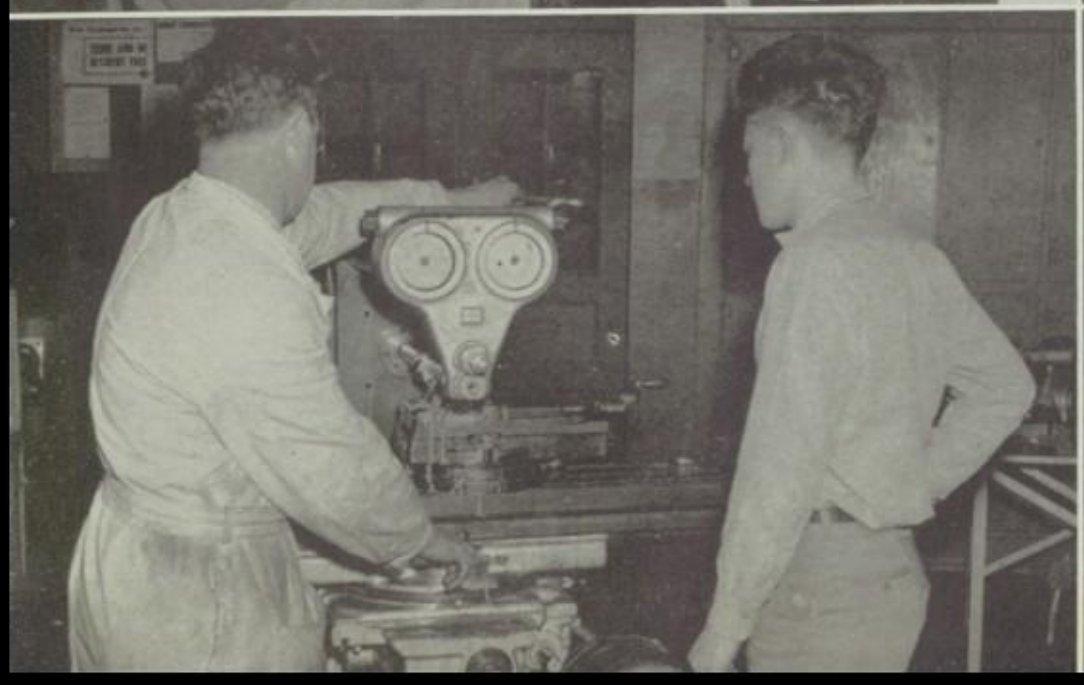
Good night, diary—Signing off, "30" for tonight—

*Sammy and Sally Saint*

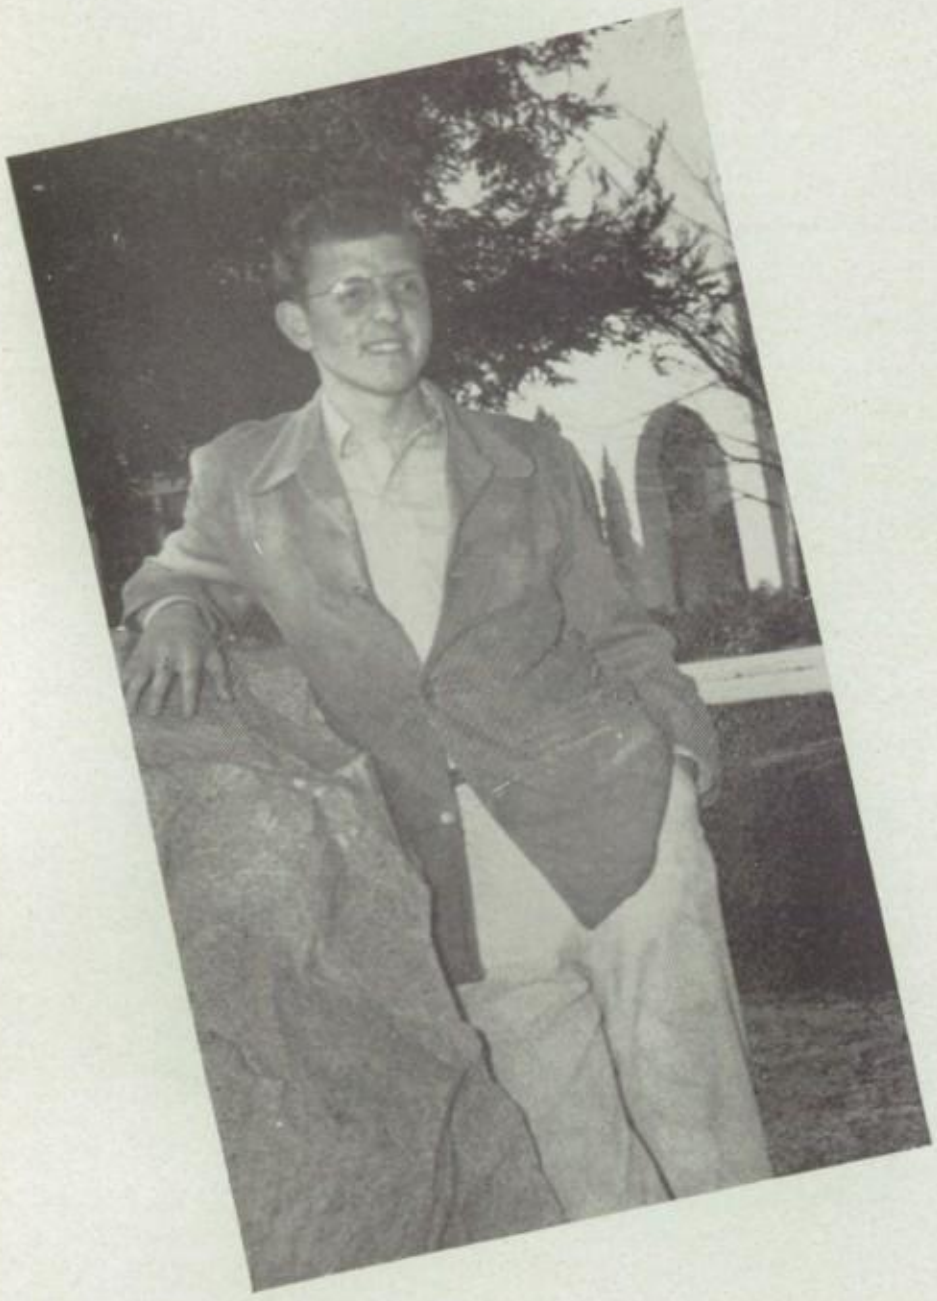




# CLASSES . . .



# SOPHOMORES



Getting their bearings in a series of orientation assemblies at the first of the year, the Class of '47 got off to a stirring start, and quickly adjusted themselves to Saint Traditions by cooperating whole heartedly in the Color Day events. Swelling the attendance at Saint football games and dances; furnishing ample stores of eager talent for sports, to Glee Club, to the mid-year play, and to the Band, the "tenderfoots" gave an excellent preview of future ability and leadership.

# JUNIORS

Contributing a large proportion of the boundless enthusiasm which typifies S.A.S.H.S., the class of '46 has accomplished each activity with successful results. Tops for interest, brilliance, and a general good time was this year's Junior-Senior prom.

In sports, as well as other activities, many outstanding athletes have been recruited from the ranks of the Juniors.

Entering upon their senior year, the class of '46 gives promise of carrying on the Saint traditions of scholarship and leadership, and of adding another fine chapter to the history of Santa Ana Senior High School.

# SENIOR

**Presidents . . .**

**TOMMY ANDREW**
**BILL STAUFFER**

Three years ago the gates of S.A.S.H.S. swung open to admit one of the liveliest classes that this school had seen for sometime. These students as Sophomores stepped hesitantly into the hallowed halls of dear old Senior Hi, but like the ugly duckling, they blossomed into something beautiful. Their football team won the Sunset League championship; their dances were recordbreakers, and their bond drives were magnificently successful.

The Seniors have studied, argued, and played together in the three years that have prepared them for the trials of a war torn world. When the armed forces called a great many of their ranks, the others, not to be outdone, staged an ambulance drive and a brotherhood assembly.

Now, the Seniors are leaving, not, as bewildered beginners, but as clear-thinking Americans; they are going out to lick the world. Good luck, Seniors.
